A top performer that always excels

When compared to competitor papers, Discovery's high quality features give it unrivalled performance, and contribute to its award as Most Valuable Paper (MVP).

A premium imaging paper that combines top quality fibers (*Eucalyptus globulus*) with state-of-the-art papermaking technology giving you the highest print rate per hour when compared to other papers on the market.

Discovery's bright white shade and high bulk guarantees high contrast, sharp text reproduction and bright colors, especially in demanding 4-color applications.

Runnability

Color Printing Quality

YOUR CHOICE ★ GET THINGS DONE

The perfect paper for high quality, color and black&white documents.

Suitable for all laser & inkjet applications, guaranteeing excellent runnability and superb color printing results.
